If you plan on bringing your dog to day camp during these dates, please make sure you have made a reservation, even if you come on a regular basis. We would hate for you to bring your dog to day camp only to find that we have no room for him or her. Camp will be held only for boarders on dates printed in red.

Please remember that we fill up quickly for all holidays and school breaks. Please make reservations for day camp and for boarding as early as possible.
